GODLESS: BOOK V IN THE OPIUM SERIES

Cool Gus Publishing. Paperback. Book Condition: New. Paperback. 262 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. We have every respect for persons entertaining strict religious principles, but we fear that very godly people are not suited to the drug trade. - James Matheson co-founder of Jardine Matheson. Your father is a pit bull who has to tell himself he is a romantic because otherwise he would lie awake at night screaming at his own evil. He is the devil with a brandy balloon. All my life I try and explain this to you. Please do not try and make me cry for him. I would rather weep for a scorpion being crushed under the wheels of a truck. All her life Noelle Croc has tried to keep her son away from his father and his business. But now he is dying and Lucien has serious money problems in France. He comes back to Bangkok and is dragged into his deadly world. Baptiste is helped in his seduction by Ruby Wen, who has serious problems of her own. She owes money to almost every gangster in Hong Kong. They are all looking for her triad boyfriend, Eddie Lau. She is the only one who knows where he is which is perhaps why someone arranges for her to spend some time in Bangkok's notorious Maha Chai prison. John Keelan tries to turn her for the DEA and help break an international drug cartel. Sure he wants the conviction; but who he is really after is the man who ordered the killing of his wife and baby daughter three years before . . . Described by one critic as James Clavell meets The Godfather, Godless is the last book in the OPIUM series, and traces one man's descent into hell, from the dark underbelly...
