Out of the Shadows: A Cornucopia from the Psychedelic Press (Paperback)

By -

Muswell Hill Press, United Kingdom, 2016. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. The word psychedelic means mind manifesting. It seems likely that psychedelic agents have profoundly influenced the evolution of our most important civilizations and the development of our collective psyche. The use of psychedelics as cultural drivers and creativity enhancers in the modern era has shaped music, art, literature, and depth psychology. Psychedelic drugs have acquired a certain reputation and polarize opinion. In their heyday, this remarkable group of psychoactive substances was believed to hold great promise for treating medical conditions, assisting psychotherapy, fueling creativity, and allowing profound spiritual experiences. However, political reaction and legal restrictions pushed their use back into the shadows in the mid-1970s. Currently there is a resurgence of interest into their clinical and therapeutic use. Research is gathering real momentum and some of the traditional misinformation and stereotypes are being reversed. This collection of original papers from the Psychedelic Press UK journal takes us on a fascinating journey through topics such as the use of psychedelics in medicine and psychotherapy, archetypal psychology and spiritual awakenings, and creative surges in literature, myth, and visionary art.

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- **Alta Kirlin**

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
