It requires time to demonstrate ability, but success which is usually coupled with ability, is immediately apparent in a modern office. We have a competent organization to handle and render this service to members of the profession. Our years of experience in planning dental office suites including suggestions for the proper arrangement of equipment and furniture, appropriate decorations, harmonizing draperies and floor coverings, practical lighting fixtures, office systems and suggestions for stationery, announcement and appointment cards, has enabled us to be of material service to practitioners in all parts of the world. This service is entirely at the disposal of any...
