Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Later Periods of Quakerism, Vol. 1 of 2 This book completes the Rowntree Series devoted to the history of the origin and development of Quakerism. The Series includes my two introductory volumes: Studies in Mystical Religion and Spiritual Reformers in the Sixteenth and Seventeenth Centuries; two volumes by William Charles Braithwaite: The Beginnings of Quakerism and The Second Period of Quakerism; The Quakers in the American Colonies in which I had the co-operation of Isaac Sharpless and Amelia M. Gummere, and this present volume, The Later Periods of Quakerism. John Wilhelm Rowntree had planned to write the History of the Society of Friends, and I had planned, at the same time, to write the History of Mysticism. His death in 1905 made it necessary to reshape all the literary plans which we had made, and in the summer of that year the Series was outlined and begun. After sixteen years the task has come to completion. The reception of the previous volumes has given us much encouragement, and we hope that the finished Series may prove to be a genuine contribution to the meaning and significance of one type of spiritual religion. We have endeavoured to tell the somewhat complicated story clearly and impartially. We have not been writing an apology or defending a favoured position. We have been presenting the historical unfolding of a religious movement as it moved and not as we wished to have it move. It has its lessons not only for Friends but, as we believe, for other Christians as well. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
