Brand New Book ***** Print on Demand *****.This book was written because for many years Dr. White-johnson has been constantly asked how do you do it all? How do you manage your life so it flows so easily? At first, she was a little taken aback by these questions because she didn't think that her life was easy and it never had been easy. She knew what she had gone through to become the woman that she is but she also knew that folks were only looking at the finished product and really didn't know the story behind the actual process. They were unaware of her personal values and beliefs, the heartache and the sacrifices she endured and they didn't know about the abundance of blessings that she had received. Dr. White-johnson believed that she lived her life like many others but after receiving so many inquiries about how she managed her life she began to think that perhaps there was more to her story than she realized. She looked at it as just her unique approach to my life. Happiness is her ultimate goal so she crafted a system that works for her. She is dedicated to everything that she does and she commits only to excellence. She takes her mistakes as lessons learned and only stumbles softly from them. She works hard to go hard and this is what this book is all about. This book provides a glimpse into her world. the things that she does daily that keep her on the right side of life. Is she perfect? Hell no! But is she a fighter? Hell yes! With every inhaled breath that she breathes and to the core of her...
