Government Accountability Office, 2006 OCLC Number: (OCoLC)77118266 Subject: September 11 Terrorist Attacks, 2001 -- Health aspects. Excerpt: . . . As of late August 2006, FOH had completed screening examinations for a HHS Has Screened 33 total of 907 of the federal workers who had registered; 380 of the 907 Additional Current Federal 34 were screened since February 2006. Under its agreement with OPHEP, Workers FOH is responsible for regularly retrieving from the registration Web site requests for screening examinations for current federal workers and for 35 assigning individuals to a provider for screening. FOH officials told us that they contact the individual and the provider to inform them of the need to arrange an appointment for screening. The program relies on individuals to call the designated provider and schedule their appointment. FOH officials told us that individuals who have registered do not always contact the provider to schedule an appointment or may not keep an appointment or call to reschedule it. FOH officials said that they have attempted to contact such individuals but often received no response....
