

Japanese Chess (Sho-Ngi): The Science and Art of War or Struggle Philosophically Treated Chinese Chess (Chong-Kie) and I-Go (Classic Reprint) (Paperback)

By Cho-Yo Cho-Yo

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Japanese Chess (Sho-Ngi): The Science and Art of War or Struggle Philosophically Treated Chinese Chess (Chong-Kie) And I-Go 1. Inspired by the grand economy of the nature which reveals itself into the causes and effects governing all things from the universe down to molecular existences, admiring the almost incomprehensible foresight, clear plans and diplomatic movements of Thomas Paine, Benjamin Franklin, Thomas Jefferson and that sort of personages, and the tactics and strategy of George Washington - those who won the victory in a colossal chess game of humanity in which they stood for the side of pure democracy; - thus inspired, while the little Japanese of the small little island Empire are contesting with the gigantic and most puissant Russian Autocrat, the writer dares say that it is not merely a great number of population, nor enormous amount of pecuniary wealth, nor an immensely extensive territory, nor a considerable superiority of naval and military materiels, nor all these conditions put together that one belligerent power compels another to do what the former wants. 2. It...

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
