

Courage for the World (Paperback)

By Ima Srsac

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Courage for the World will inspire readers to do their part to see that the: Ownership of the Food Supply, Ownership of Land, Influence on Legislation, Control of Markets, and the Control of Rural Economies is not by a few, but instead is by many. This easy-to-read human interest story is packed full of information, research, and employable ideas to see to it that our food production systems will be safe, sustainable, and life giving. True story. Real people. Real issues. A real need for courage. Join Ima, Spike, Ruth, David, and John as they face off against Judas, Dick, Samuel, and others on team industrial agriculture. Get an inside look into the permit process for the animal agribusiness industry. Warning: It will change the way you look at food - permanently. Whether you are new to the issues of animal factories and industrial agriculture, or you are well versed on the subject, Ima SRSAC will inspire you to commit to courage for our world. As long as we live, we all need food. We need that...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
