

Today s Edition (Paperback)

By Adam Wasserman

Lulu.com, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Greetings, citizen. Your interest in Today s Edition has been noted by the authorities. By electing to access illegal, detrimental and highly subversive material, you have identified yourself as a traitor. Please turn yourself in to your Homeland Security neighborhood substation. Today s Edition does not exist. Rumors of a popular e-zine created by the Human Resources conglomerate and then spun off to the private sector are entirely false and should not be trusted. Likewise, no weekly publication in the Bunker was ever hijacked by traitors - repeatedly - as an instrument to achieve their own nefarious ends. How exactly you came to possess knowledge of Today s Edition and where it might once have allegedly been published is surely one of the topics your interrogator will be fond of discussing with you. Please be prepared to draw up a list of your fellow conspirators and which recent acts of sabotage, subterfuge, and calumny can be attributed to them. Thank you for your cooperation.
