As a child born into Ugandan poverty, Ruth was orphaned at nine years of age and passed from family to family. She suffered through Ugandan President Idi Amin s rule of terror. She was raped, treated as a slave, married to a Muslim man, then widowed when he died of HIV/AIDS. Then she discovered she also had AIDS. After two years of treatment, when medications no longer offered hope, at death s door and no longer able to walk, God healed her completely! Today she has an international ministry and ministers to more than 3,000 Ugandan widows and orphans.
