

Three Young Crusoes: Their Life and Adventures on an Island in the West Indies (Classic Reprint) (Paperback)

Filesize: 4.86 MB

Reviews

A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

(Dr. Marcel Collins)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Three Young Crusoes: Their Life and Adventures on an Island in the West Indies* This book was written for the entertainment and instruction of children between twelve and eighteen years of age, the underlying idea being that the student of nature need never be lonely. Forced to lead the simple life on a deserted island far from friends, books, and other advantages, the three Crusoes found that nature supplied them not only with bodily, but also with mental wants. While the characters, the story, and the setting are fictitious, the natural history is entirely reliable, and the reader enjoys the rare privilege of having the nature treasures of many different localities brought together into a rather limited area. On this account, visitors to any part of the West Indies may find the book helpful. It may be added that the opinion of experts is divided regarding the origin of the monkey used in this story, some claiming that he was native to the island and others contending that he was introduced through human agency. The author is inclined to lean toward the latter theory. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
