Robson. 1 Cloth(s), 2013. hard. Book Condition: New. Members of the royal family say they can do without many things, but not their animals. For countless monarchs and their consorts, cats, dogs, horses, and the occasional parrot have acted as constant, faithful companions, unquestioning allies, and surrogate children. In close-up anecdotes, British broadcaster Brian Hoeya longtime reporter and interviewer on royal affairsdescribes such notable aspects of that affection as the mini palaces provided for the Queen's pampered corgis, Princess Anne's badly behaved bull terriers, and the regal passion for all things equine. Here too are the wild animals presented to princes and princesses, including crocodiles, hippopotami, an elephant, and even the pigeon awarded a military medal for its efforts in World War II. 300.
