*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

A sort of vague sadness, that generally accompanies a gloomy atmosphere, weighed upon the spirits of the colonists. Recollections of the Nelson and her sudden disappearance thrust themselves more vividly than ever upon their memory; and Willis was observed to throw his souwester unconsciously on the ground -- a proof that remembrances of the past occupied his thoughts. One of the ladies was occupied in the needful domestic operations of the household, whilst the other sat with a stocking on her left arm, busily occupied in repairing the ravages of tear and wear upon that useful though humble garment.
