The Winchester Mystery House has stairs leading nowhere, doors that open into walls, secret passageways, and a large seance room. The Villisca Axe Murder House was the site of one of the biggest unsolved mysteries in American history. Korner's Folly was dubbed the strangest house in the world by a well-known architectural publication. The Hampton-Lillibridge House was the site of an exorcism to rid its resident evil spirit, but was it successful? And then there's the Loretta Lynn Plantation, where countless lingering spirits have made themselves known to visitors who dare to touch the tribute wall. The brave and the fearless will find all the contact information and tour options they need throughout the book for each of these daunting dwellings, plus much more.
