First of all. particularly important innovation of Marxist philosophy should be the spirit of the times theming is inseparable from the concept of the world and the era of the concept. it should be said that the era of the concept of the real living world outlook. Therefore. how we can make our philosophy theming the spirit of the times. may be one of the most fundamental problems it faced. The second sentence. the reality of the existence of pitch. Before the period of writing an article and get the attention of the academic community. that is. the meaning and significance of 'philosophy is the history of philosophy'. Them in this article. the authors put forward three questions: First. whether to leave the history of philosophy and professional study philosophy? Second. whether left facing the reality of the history of philosophy and philosophy? Whether to leave the history of philosophy and philosophical theoretical innovation? In the authors' view. the philosophy is a historical thinking. and the history of philosophy is an ideological history. Leave the ideological history. we will not be able to grasp our era historical thinking. So. when we propose to theoretical innovation philosophy. it is essentially asked us a task. that is. we should. as...
