Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Technique of Army Training In a major emergency, speed of organization and of training troops is of primary importance. Rapid and thorough training methods are also essential to success with the National Guard, the Organized Reserves, and the citizens military training camps in time of peace. Nothing so stimulates interest in these organizations and makes men enthusiastic in their support as a snappy, progressive schedule that leaves every man with a sense of satisfaction at his personal progress for each day s work. For these reasons the development of army training methods, until they achieve the results required with maximum thoroughness in minimum time, will be given great weight in the Military Establishment. This document on technique of army training summarizes the best practice in this matter as developed by war experience and since. Sections I to VII define the essential elements of a sound training program and the procedure for producing the necessary aids to instruction. Section VIII presents the solution of the problem for a single type of technical specialist, the radio...
