## DOCTOR DEATH

Book Condition: New. Publisher/Verlag: Simon & Schuster US | From the coauthor of the critically acclaimed New York Times bestseller *The Boy in the Suitcase*, a "gripping plot" ( Publishers Weekly , starred review) and captivating historical thriller.Strong-minded and ambitious, Madeleine Karno is eager to shatter the constraints of her provincial French upbringing. She wants to become a pathologist like her father, whose assistant she is, but this is 1894, and autopsies are considered unseemly and ungodly, even when performed by a man-hence his odious nickname, Doctor Death. That a young woman should wish to spend her time dissecting corpses is too scandalous for words.Thus, when seventeen-year-old Cecile Montaine is found dead in the snowy streets of Varbourg, her family will not permit a full post-mortem autopsy, and Madeleine and her father are left with a single mysterious clue: in the dead girl&apos;s nostrils they find a type of parasite normally seen only in dogs. Soon after, the priest who held vigil by the dead girl&apos;s corpse is brutally murdered. The thread that connects these two events is a tangled one, and as the death toll mounts, Madeleine must seek knowledge in odd places: behind convent walls, in secret diaries, and in the yellow stare of an aging wolf.Eloquently written and with powerful insight into human and animal nature, *Doctor Death* is at once a gripping mystery and a poignant coming-of-age story. | Format: Hardback | Language/Sprache: english | 457 gr | 235x160x27 mm | 304 pp.
