

## Lifetips 101 Autism Tips (Paperback)

By Tammi Reynolds

Lifetips.com, United States, 2007. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The signs of autism are not quite as obvious as the general public may think. This book is designed to provide information parents and anyone affected by autism or related pervasive developmental disorders. There is also information regarding screening tests so parents have an idea of what to expect. The book is designed to encourage families to seek support by working with other families who are having similar experiences with autism. Support services for siblings as well as caregivers are really important in the whole family unit. It is important that every family member becomes involved with the autistic child's treatment. The family unit is the core of any treatment plan. Included in the text is a collection of tips that I hope will be useful. Hopefully, application of the various tips can be used in home, school and community settings. The book is designed as a practical guide for parents to follow. Over the years, I have learned a lot about autism and related pervasive developmental disorders. No matter how much research I do, no information...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
