Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Not illustrated. 1903 Excerpt: .to be, no institution can come off scathless that hinders the well-endowed from outbreeding the ill-constituted and filling the earth. This test may do much to end debate and unify opinion on social questions. Into the profitless discussion of measures from the standpoint of particular interests the sociologist has thrown the question, Is it best for society as a whole? But society is a vague entity, and each disputant deems his own class the backbone of society. The selectionist in turn seeks to lift the plane of discussion with the question, Will it tend to the preponderance of the fittest? For cases where it can be applied, perhaps his touchstone will be adopted sooner than that of the sociologist. Most of us are hazy as to the social welfare; but every one knows and prefers the hale to the sickly, the wise to the foolish, the noble to the base. Edwaed Alswokth Ross. The Untvebbity Of Nebraska.
