Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Physical Healthcare and Promotion in Mental Health Nursing, Stanley Mutsatsa, It is essential for mental health nurses to understand the physical health needs of people with mental health disorders in order to provide holistic care. Yet these people often have their physical health needs unrecognised or poorly managed. This book is a practical and informative guide to the physical health care of people with mental health illnesses. It covers a range of health-promotion strategies, including exercise, diet and oral health, and assessment, intervention and skills for common physical disorders found in people with mental-health problems. It takes a recovery perspective and emphasises the importance of communication and collaborative care for adherence to healthy lifestyles.
