

Essential Knowledge for a First Year Audit Staff/Intern in Big 4 Accounting: A True Insider's Perspective on Big 4 Accounting (Paperback)

By Kevin Hsu

Createspace, United States, 2013. Paperback. Book Condition: New. 230 x 150 mm. Language: English . Brand New Book. Inside this informational book, we will do a deep dive in to the following topics: Careers in Accounting -Accounting doesn't restrict you to only being an auditor. There are more than 5 other career paths. -The fact of the matter is accounting is an essential foundation for any financial career. Busy Season Experiences -What it feels like to work during busy season to help you anticipate your first busy season. -We answer how many hours you can expect to work on average and when it is the most busy. Big 4 Experiences -We will provide answers to why the Big 4 experience is worth going through and so highly-valued. -Real life challenges you may face what you can expect to get through your first busy season. Average age in Big 4 Accounting -The question we get all the time is whether or not you are too old/young for Big 4. -We will provide you with alternative options of breaking into Big 4 (not interviewing on-campus) Choosing your Office/Location -You should consider specific factors when you make your decision as to where...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and he suggested this ebook to discover.
