Soren, a young myna plucked from his nest as an egg, has never known what it means to be free. But Fife, an older, worldly bird does, and he longs to fly home to the tropical forests across the Pacific Ocean. Every evening after the pet shop closes, the store becomes a stock market where the caged animals trade what they have for what they want: seed, sand, plants and bugs. Will Soren and Fife be able to barter for their freedom? Or will their wings stay clipped?About the Author: David Dagley has been working in the Bering Sea for the last 10 years and traveling through South East Asia in his off time.
