KINGS OF THE JUNGLE: TALES OF THE SAVAGE SAVANNAH: LIONS AND LEOPARDS AND MAN - OH MY! (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lions and Leopards and Man - oh my! It had started as would any other day, from the noise to the breeze and beyond. Just another day on the plains, between the jungle and Lion Rock to the north, Croc River in the east and The Man Camp far to the west. The wind whistled eerily through the swaying long grass of the plain; a vast savannah of life and death stretching mile after uninterrupted mile into the distant horizon, ceaseless slaughter committed across the length and breadth of its dusty soil under the constant, unforgiving glare of the burning sun. Tsetse flies buzzed through the air, their sinister, invidious noise vibrating unpleasantly through the stiflingly arid heat as they flew, stinging the flesh of animals too depleted and wearied by the weather conditions to resist them. Malevolo the leopard is wreaking havoc up and down the length and breadth of Aldous the lion s territory - from the thickly forested dense jungle to the south and Lion Rock to the north; Croc River to the east and the Man Camp far to the west. In doing so, the wily, cunning cat manages to shake the foundations of the food chain itself in the tempora dramatis of the height of a hateful summer. Kings of the Jungle is a morality play set in the unforgiving environ of The Savage Savannah - featuring unforgettable characters such as the wily, cunning, iconoclastic and nihilistic rebel in Malevolo the Leopard; Rustica, his solitary son; Aldous the lion and his lioness pride; Donny the crow; Natura the cheetah; Malcolm the masturbating chimp and more, KINGS OF THE JUNGLE is a playful allegorical...
