

## Maneuver Management: Planning and Communication for Business Success (Paperback)

By Mike Ognik

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Maneuver Management is written by Mike Ognik, a former Marine Corps officer and successful entrepreneur. After the Marines, Mike entered the civilian business world and like so many business owners and managers, he struggled to make his business a success. Eventually, he realized that many of the tools he learned in the Marine Corps could be adapted for running a civilian business. In Maneuver Management, Mike presents the reader with proven tools and processes for better running your business and organization. Whether you are a small business owner, manager, or corporate executive, the tools Mike gives you will help you succeed. Maneuver Management is not a book about business theory, rather it s a book that gives you actual tools and processes for better planning, communication, and execution that you can implement immediately in your business or organization.
