**Title:** Auntie Madge and Other Aliens  
**Author:** Douglas Hill  
**Year:** 4 **Genre:** Sci-fi Stories

**Summaries**

**Auntie Madge**  
 Peter seems to be the only person who is suspicious of Auntie Madge. His parents take no notice of her strange appearance and behaviour. Peter thinks this is because he has recently had a bump on the head, so to test his theory he bumps the heads of his two friends Alan and Nala. Soon all three children are convinced that aliens are visiting. They track Auntie Madge and the others to a deserted house, but they are captured. Fearing for their lives they escape, but Peter falls into a pit. He is saved by the aliens who explain that they have come in peace, seeking minerals to power their spaceship. They use a mind-veil to deceive humans and ensure that their mission is peaceful.

**Deserted Planet**  
 Kelsey and her parents Eldron and Lurali are on board a starship with Cale, the computer expert. They are investigating the planet Ravalle, which appears to be deserted. Eldron, Lurali and Kelsey take a closer look in the shuttle. When they land on Ravalle they are captured by aliens and taken to their ruler in an underground city. They learn that a ball of fire is going to hit the planet and, despite Eldron's offer of help, the humans are thrown into prison. Cale cannot rescue them, but he does find out that the ball of fire is a comet, and he manages to deflect it away from Ravalle. The Ruler refuses to let them go, so Cale brings the starship close to the planet, where it resembles the ball of fire. Terrified, the Ruler sets them free.

**The Chetty**  
 Myron visits a zoo of captured aliens and is staggered when he discovers that he can communicate telepathically with one of them, the chetty. Myron is determined to help the chetty escape but he has his own problems with a crowd of bullies, led by Jed Felton. Myron breaks into the cages and releases the chetty. Soon he begins to realise the extent of her powers, for example, she can travel vast distances in a moment of time. The chetty captures the bullies and takes them to her planet Chestaran (but only to give them a fright). They plan to help the other captured aliens escape.
