Brand New Book ***** Print on Demand *****.The Phoenix Of Hotel Freds, by first time author Mateo Marquez, is a passionately poignant tale of self-discovery and resurrection in the digital age. Tony Robbins meets Hunter S. Thompson on Facebook, Marquez has already shown his potential as a contemporary messenger for translating timeless life governing principles in a searingly relevant 2010 package. The uniquely colorful, metaphor-laden writing style and creative sense of humor seen in his myriad essays, blogs and online posts have allowed a glimpse into the method and madness of this emerging contemporary wordsmith. The Phoenix Of Hotel Freds is an Attention Deficit Disorder friendly handbook for cultivating and nurturing value-creating partnerships in life. It is the graphic tale of a man who lost everything that mattered to him, burned his impostor life of lies to the ground and rose from the ashes, born again and on fire, finally free to fly in honesty, light and fulfillment.
