

David Bowie- le phénomène Ziggy Stardust et autres essais

By Seknadje, Enrique

CAMION BLANC, 2009. Paperback. Book Condition: NEUF. Un livre qui explore avec vigueur et rigueur quelques facettes de la personnalité et de l'activité musicale de David Bowie, artiste kaléidoscopique qui a cultivé le rock ! Est notamment disséqué le personnage de Ziggy Stardust, phénomène musical et social, monstre sacré aux pulsions à la fois vitales et suicidaires, qui n'en finit pas de nourrir les fantasmes de la musique pop. Une créature de la Décadence oscillant entre triviale vulgarité et haut raffinement. Avec Ziggy Stardust, David Bowie joua à la star et en devint une, se travestit et se mit à nu, s'envola en perdant quelques plumes. - Nombre de page(s) : 224 - Poids : 370g - Langue : fre - Genre : Sociologie Faits de société, Témoignages contemporains, Actualité, Biographies.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
